That was one of the best programs I have seen on TV in ages. Thank You!!! -Craig

Please thank the CSO for saving Christmas for me. I was in a pretty dour mood, stuck in the house by myself...missing all my usual holiday activities, parties, shopping, being close to family and friends. By the end of the hour, I was uplifted and ready to go out and buy a Christmas tree. This program restored my faith in all things good and my hope that we will all get out on the other side of this. -Angela

Thank you so much for sharing this with us! It was beautiful! -Barbara

Thanks so much for this program. It was wonderful! -Mary

Thank you for broadcasting an uplifting holiday event this year. It was fantastic, very entertaining and I loved every minute of it! Airing this special on television and showing that everyone participating practiced social distancing was a very moving and emotional experience for me. -Anonymous

Great show! We loved watching while working on Christmas cookies. -Mindy

Children choir, eyes still wet. Never been more proud of the Columbus Symphony. This was simply outstanding. -Bob

Excellent! A well-designed and implemented concert sure to appeal to Columbus' TV audience, and compelling enough to draw more than a few tears to my eyes. -Sheldon & Becky

The Symphony program broadcast on Channel 10 on Saturday evening was BEAUTIFUL. It was a terrific idea, a well-produced show, wonderful to see and hear the musicians. I'm so glad it was available to all of Columbus on TV. You all at CSO should be very proud. -Barbara

This was a spectacular production in every respect. I seldom had dry eyes, as emotion from this tough year mixed with the joyous music from our musicians. We are doing fantastic work here in Columbus. -Susan

That was a great concert. The finale brought a smile to our faces to replace the tears in our eyes earlier as we realized how much we have missed the live concerts this year. Thank you for keeping this tradition and our great Orchestra alive and relevant in these turbulent times. Music may very well be one of the few things all Americans can agree upon as we seem to disagree on everything else in our life. -Kim
